Foreword

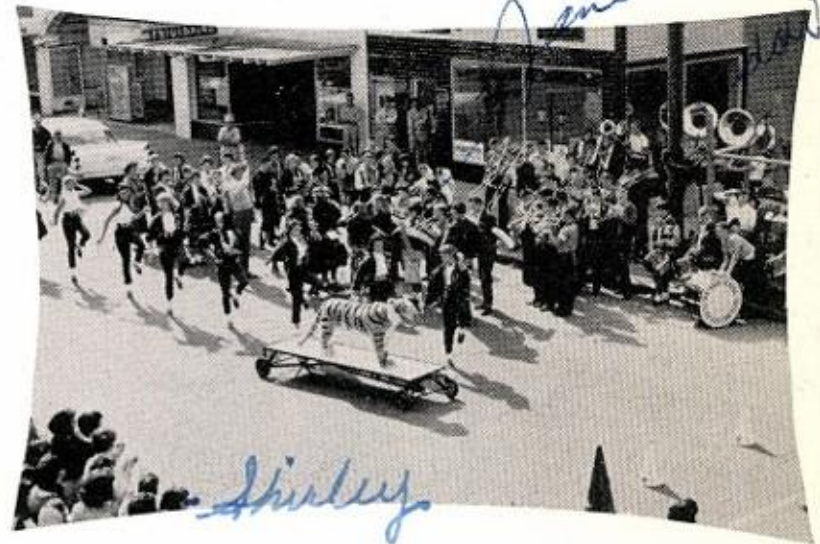

With our school year swiftly closing we pause to catch a final glimpse of the happiness and friends we've had. Many things happened this year we shall never forget. We find ourselves holding closely to our hearts the fond memories of this past year at E.H.S. The 1960 Bengal is yours. You made it: we preserved it through words and pictures.

Student Life

These happy students become full-fledged seniors as they receive their eagerly awaited "senior rings."

When Sept. 1 rolled around, E.H.S. greeted many old friends and a flock of new faces.

Strength unlimited, Spirit undying; that's the motto of the E. H. S. Cheerleaders.

The Tiger Band lends its whole-hearted spirit to the pep rallies by making with the music and straining the vocal chords.

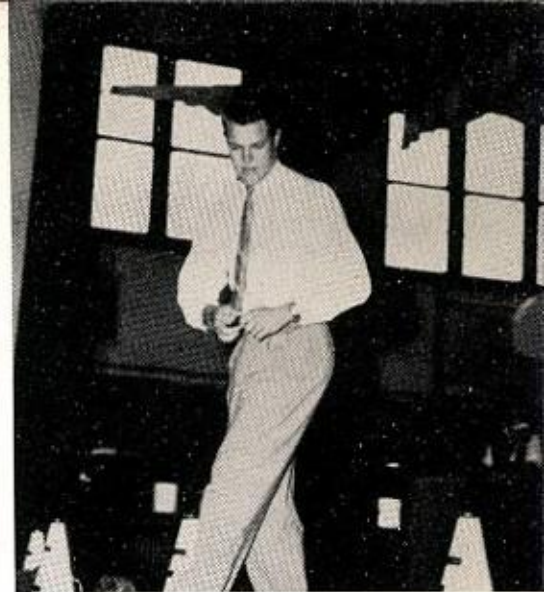

This is how it's done - by the use of a rickety, old ladder, eight packages of crepe paper, and six "?" cheerleaders.

El Trovo gets an affectionate kiss from Shirley while the group recoperates.

All work and no play makes the "B" team ready for action.

Coach Price urges the students to support the team and the team to be worthy of that support.

Football, Carnival, Fair

Responsible for September Blaze!

"Will I live Doc?" asked Billy doubtfully.
"Fraid so," says Dr. Fish, "it's only a flu shot."

Although fall was not scheduled to arrive until September 23, 297 students ushered it in on Sept. 1, to begin another school year. On Sept. 4 a small tidal wave swept over E.H.S. as football season was begun. Excitement of no less a degree was created by the seniors upon the arrival of their hard-earned rings.

As Sept. developed so did plans for the annual Lions Club Carnival with the newly organized clubs and classes participating. Around the close of this eventful month the Texas-Oklahoma Fair got into full swing. The F.F.A. boys entered numerous events and emerged victorious in many.

So with one month down and eight to go, the bees in this hive are fairly Buzzin' to make the school term 1959-60 a memorable one.

Raymond and Gene prove that farming can be fun by giving Sherry, Jane Ann, and Joyce a dizzy tractor ride at the T-O Fair.

Christie and Bobby pause for refreshments (also to aid the freshman class) at the Lions Club Carnival.

That bewitching "Isle of Golden Dreams" came to life as the Sophomore class presented this lovely maiden in a native dance. Joe, did anyone ever tell you, you were beautiful?

Happy birthday, Coach Hesse! O. V. surprised him with a present at the Olney pep rally.

All librarians WORK. Carolyn types, Peggy checks books, and Johnny _____ well let's get busy, Johnny!

Books are the light of education. Sylvia, Linda, and Connie seem to be putting them to good use.

"No rest for the wicked!" Joyce, Ann, Margie, Sharon, An-nell, Joe and Mrs. Blair repair the library to weather this year's storm.

October Sees Repaired Library

October was a month of settling. The science classes began to investigate the labs and the English students recited poetry. Yes, this was the month to bury the excitement left over from September and concentrate on work. I think it's expressed as "getting into the groove of things."

I suppose Mrs. Blair sensed that this would be a busy year in her library, for she supervised her student assistants well, and got the library into working order in record time.

Anyone for cake? Seems as if Coach had a real old-fashioned party. Did anybody count the candles?

Marilyn: "Are you sure that's what the chemistry book said?" Richard: "Don't ask me, I only work here!"

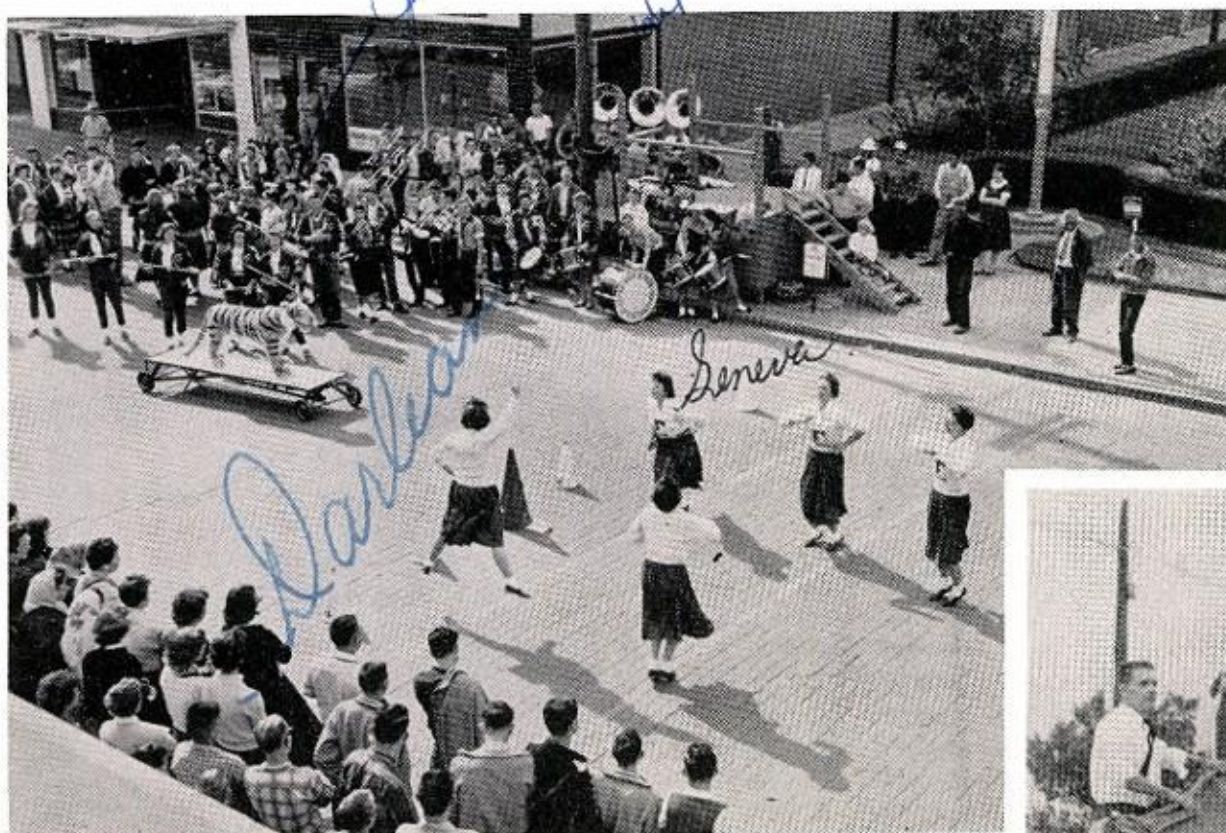

"Better late than never!" says Mr. Holcomb as he presents Joe, Janice, Barry, and Elliot with last year's Interscholastic League trophies.

On October 18th three buses took the F.F.A., F.H.A., Bengal Staff, and Interscholastic League representatives to the State Fair of Texas, in Dallas, and a workshop held at S.M.U.

As the lights of October flickered, plans were being made by E.H.S. organizations for Halloween parties, and once again excitement crept out of its hole to end this settled month.

and Surprised Coach

After a fast footrace to town, the cheerleaders lead the student body in spirited yells at the Burk pep rally.

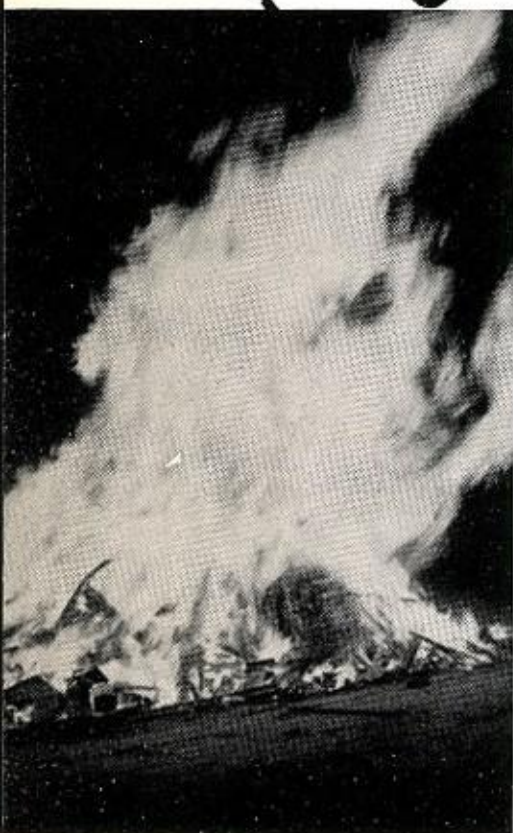

Johnny and Robert tie up the loose ends as the band prepares to accompany the football team to Nocona.

WELCOME EXES

Homecoming Brings Excitement to E.H.S.

The bonfire not only added beauty and excitement but warmth for the traditional homecoming pep rally.

"Smith, Smith, he's our man, if he can't do it nobody can!"
Elated over their first at marching contest, the band members treat "Mr. Smith to a ride to the buses."

The coming of November brought to E.H.S. the highlight of the fall season, Homecoming. The numerous activities were begun with the traditional bonfire pep rally on Nov. 5th. All day Friday, Nov. 6th, exes enjoyed renewing old friendships and pondering at the changes since the publication of their annual. Half-time activities saw Jeannette Willett crowned Homecoming Queen and Mrs. Bill Sweet, Coming-home Queen.

November held special interest for the E.H.S. band. On the tenth they went to the Regional Marching Contest in Wichita Falls. This marked the beginning of the year's contests. After the shattering of 88 sets of nerves the band was victorious with a first division.

As football season drew to a close with the Jacksboro ballgame and the time came for the final pep rally, came also the announcing of the most beautiful girl in E.H.S. Paulette Walton was selected by the John Robert Power Studio from a group of eight class beauties.

With basketball season on our heels and our thoughts turning to Thanksgiving vacation, November slipped from the present to the past.

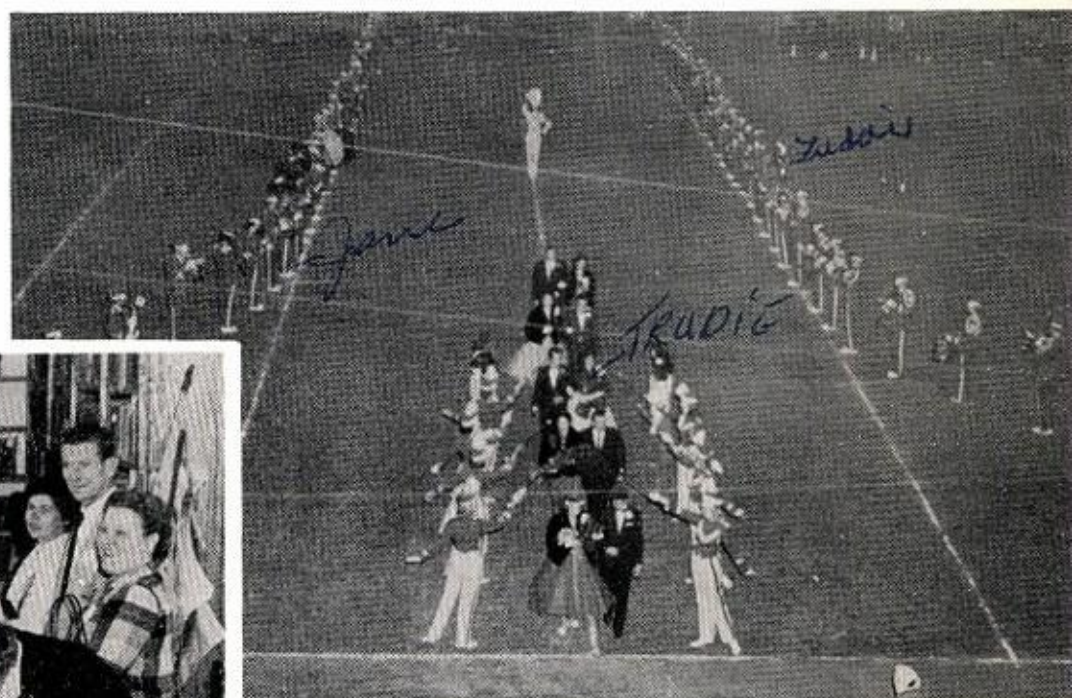

With looks of anxiety and badly-chewed fingernails, the band awaits news of their performance at marching contest.

At the final pep rally the class beauties eagerly await the announcement of the school beauty.

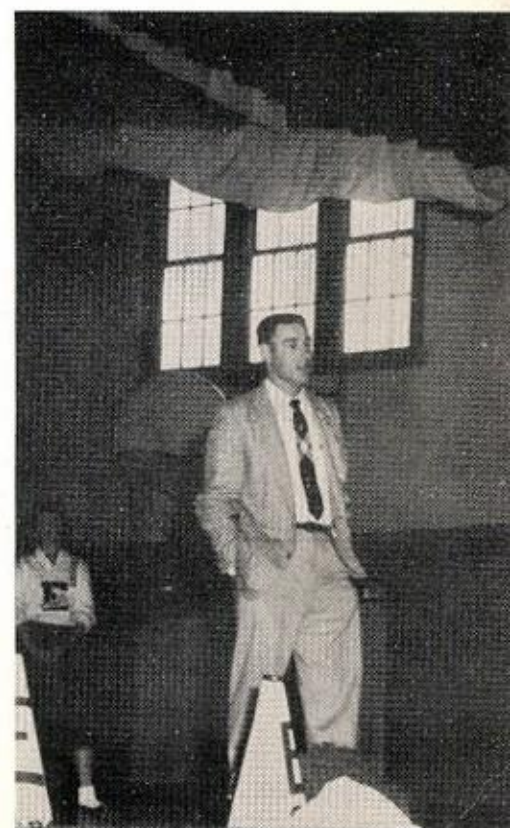

Surprised laughter floated from the library as the exes gathered to relive happy memories of E.H.S.

Halftime activities highlighted the coronation of Jeanette Willette, Homecoming Queen. Here the Royal party leaves the field.

Coach Young gives us a real pep talk before the Jacksboro game.

'Twas the Month of Christmas and —

'Twas the month of Christmas and all through the school
Every creature was stirring to obey every rule.
The classes were buzzin' with plans loud and clear
With visions of goodies, spirits, and cheer.
The volleyball teams were intent with their game
In hopes that the students would, too, be the same.
And the juniors were joyous with results of their sale
While 12 top salesmen their prizes beheld.
When out of a class there arose such a clatter,
I sprang from my chair to see what was the matter.
Away down the hall I flew in a daze
To observe the freshmen presenting their plays.
The Chorus spread joy through traditional carols
Turning our thoughts to the Angels of Herald.
Fifth period Friday no one would be tardy
For all couldn't miss those hilarious class parties.
A concert was the climax to this bright day
Here the songs of Christmas the band did play.
And we heard all exclaim as they drove out of sight,
"Happy Christmas to all - May your New Year be bright."

The "Spirit of Christmas" reigns supreme during the band's Yuletide concert.

The Bengal Staff finds pulling taffy HARD work!

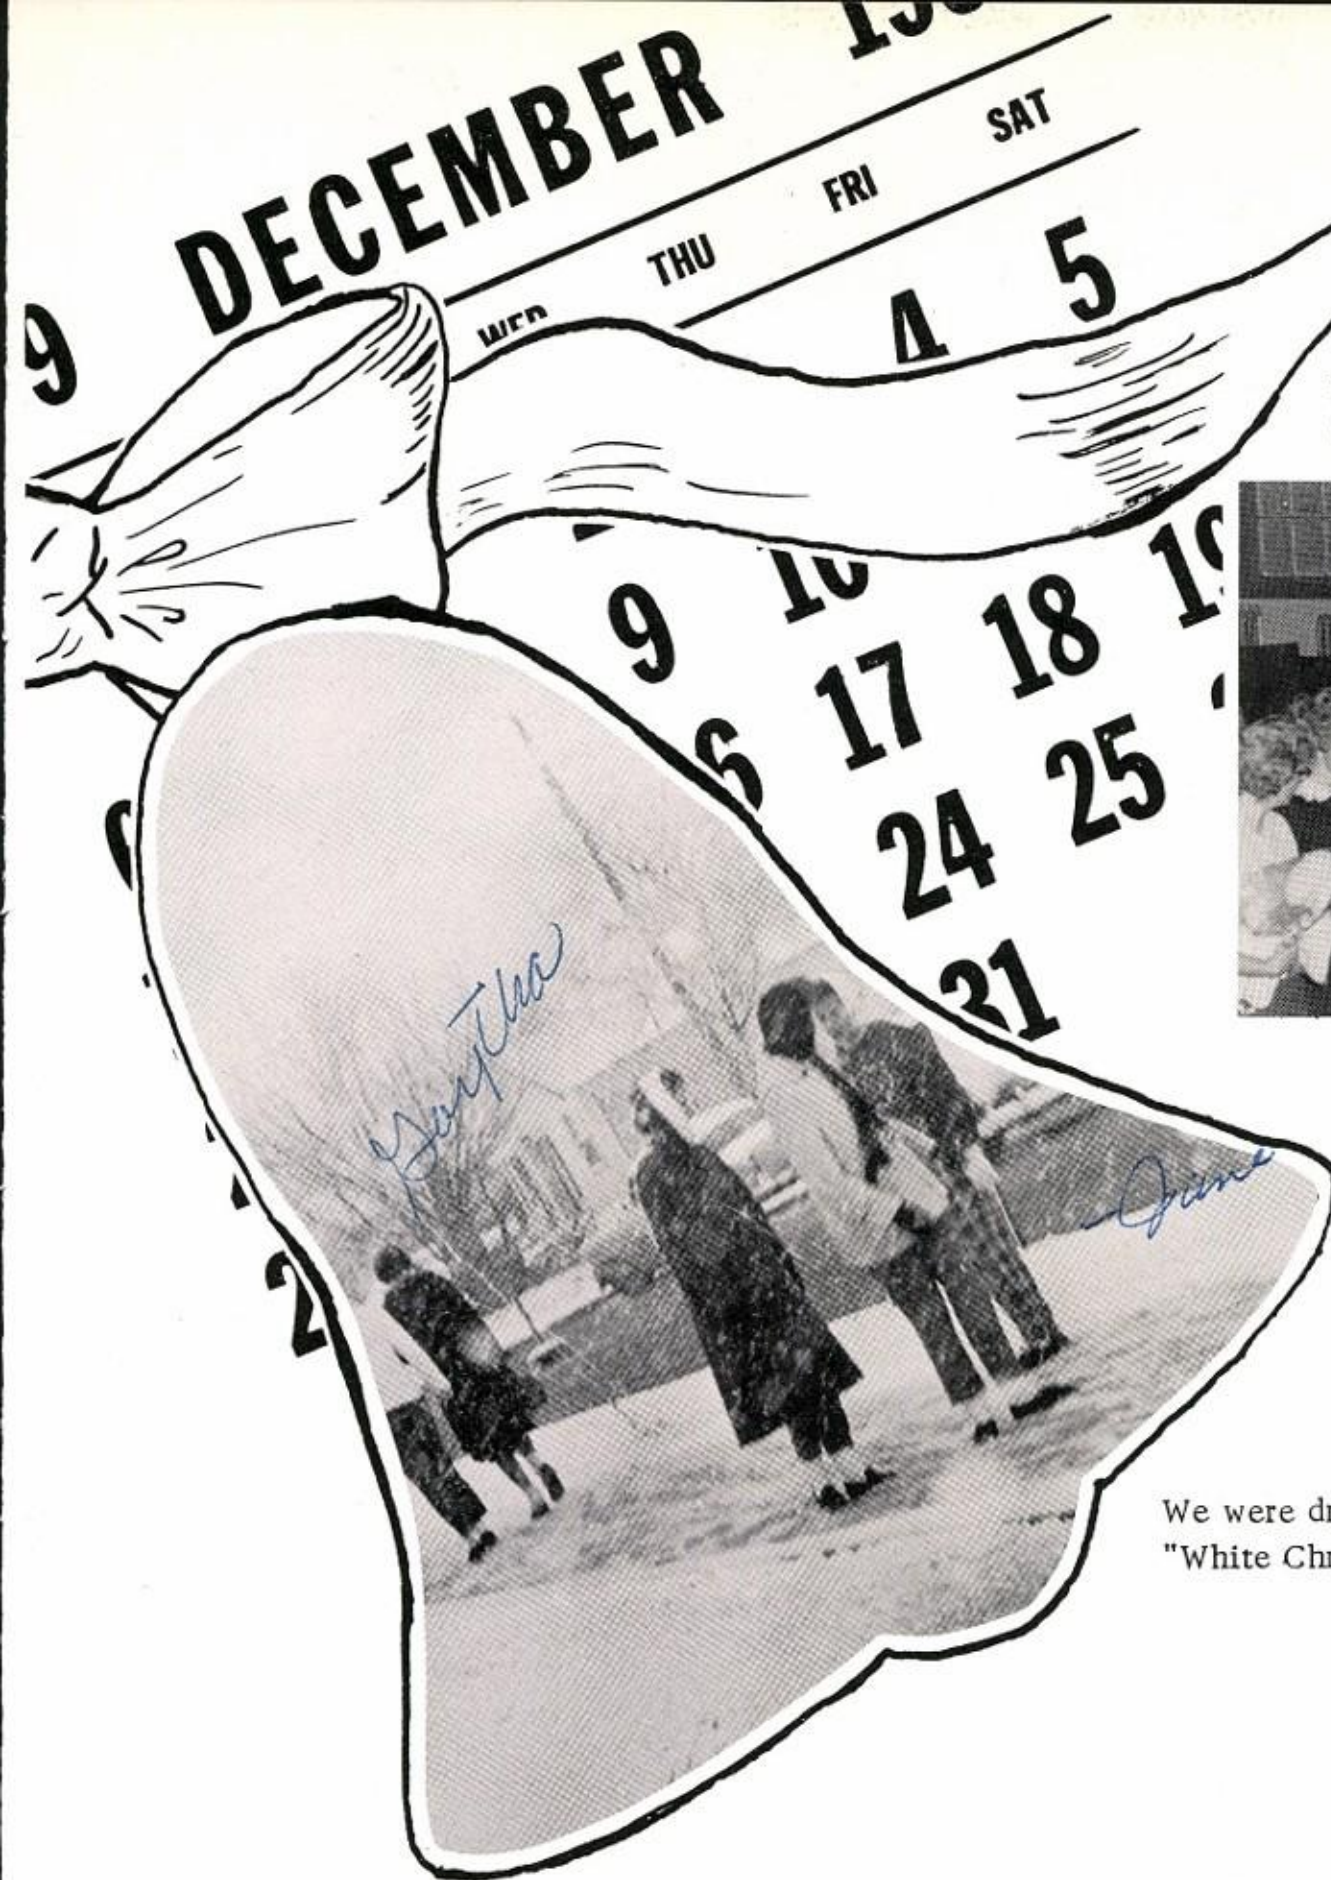

I thought those toys were for children!

WHO'S camera shy?!

The quietness of the library is seen even during the Christmas party.

Happy juniors boast prizes won during the magazine sale.

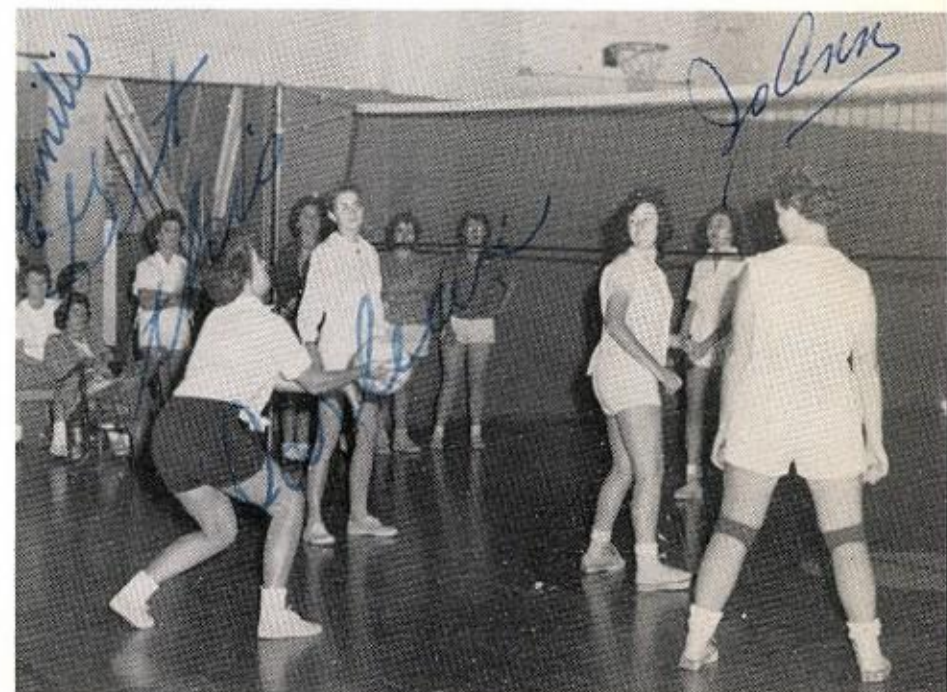

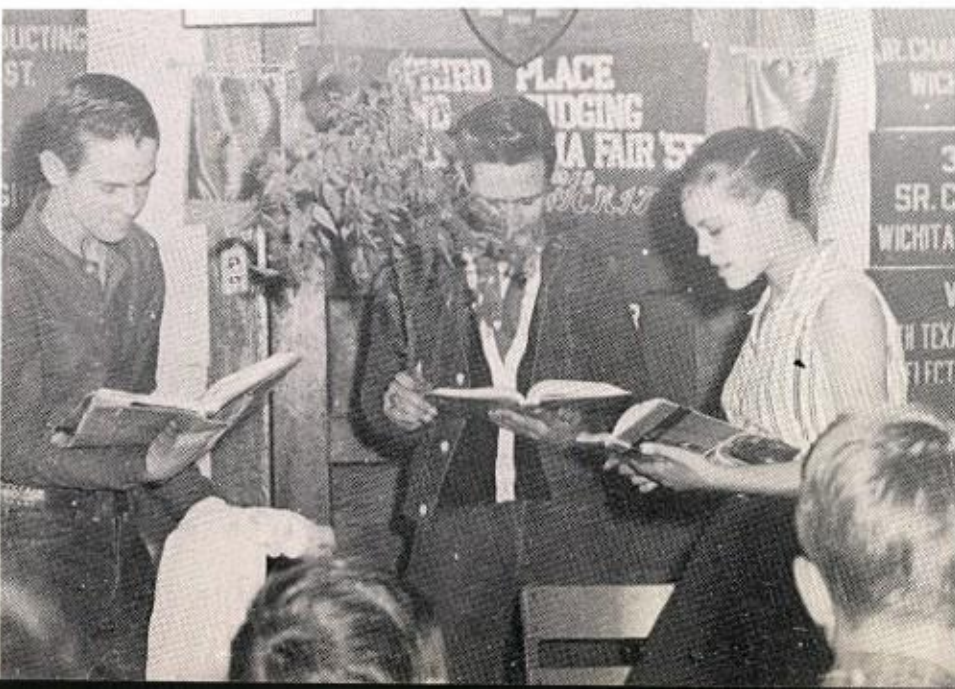

We were dreaming of a "White Christmas."

Ronnie and Terry deck the Ag shop with streamers of red and white.

Van, Dale, and Judy turn actor to present THE STOLEN PRINCE in Mrs. Cogdell's English class.

Darlean, you're supposed to hit it, not catch it!

It didn't go in: shoot again!

"What's that, Don? Say you think that electromagnet's stronger than you?"

January, 1960! The beginning of a new decade, the beginning of ten years of development and progress and the end of the "fabulous '50's," the era of happy memories. What did this mean to E. H. S.?

January meant the end of a two week vacation and the beginning of a two-week workout. Yes, this first possessed the dreaded mid-term finals. These were responsible for the serious weeks of cramming - - - cramming for work we should have gotten throughout the first semester. The end of one semester and the beginning of a new one; my how time flies.

January meant the fulfillment of December's dream, a world of wonderful whiteness. Snowballing became the passtime of all boys and a temptation to a few teachers.

With the middle of January came report cards and relief (in most cases). The realization of these "soaring '60's" was now imbedded upon every mind for the opportunity to start anew, to begin once more, was presented. We had now a clean slate to sink our teeth into!

For the basketball teams it was merely a continuation. Basketball fever ran high in January and the students of E. H. S. were proud of their hard-working representatives.

I suppose to a few poor souls this new sound called '60 was merely the start of another year, but to the seniors of E. H. S., 1960 had a special meaning. This new beginning was what they had waited twelve half-long, half-short, years for; this was the year of graduation. It was most definitely the end of young carefree days, but it was also the beginning of a bright future looking toward maturity.

February: Month of Hearts

A Sweetheart
gift at Valentine

WOW!!!

On Feb. 1st, 100 hearts almost burst with pride for the 60 members of the "A" and "B" football teams and their eagerly-awaited awards. The remaining bursting hearts belong to approximately 40 girls.

Feb. 9th, Beverly Clark was crowned Basketball Sweetheart by captain Elliott Jones - her court, Vickie Lee, crown-bearer; Lisa Rodawalt, flower-bearer. Elliott and Beverly were presented during the halftime at the last home game.

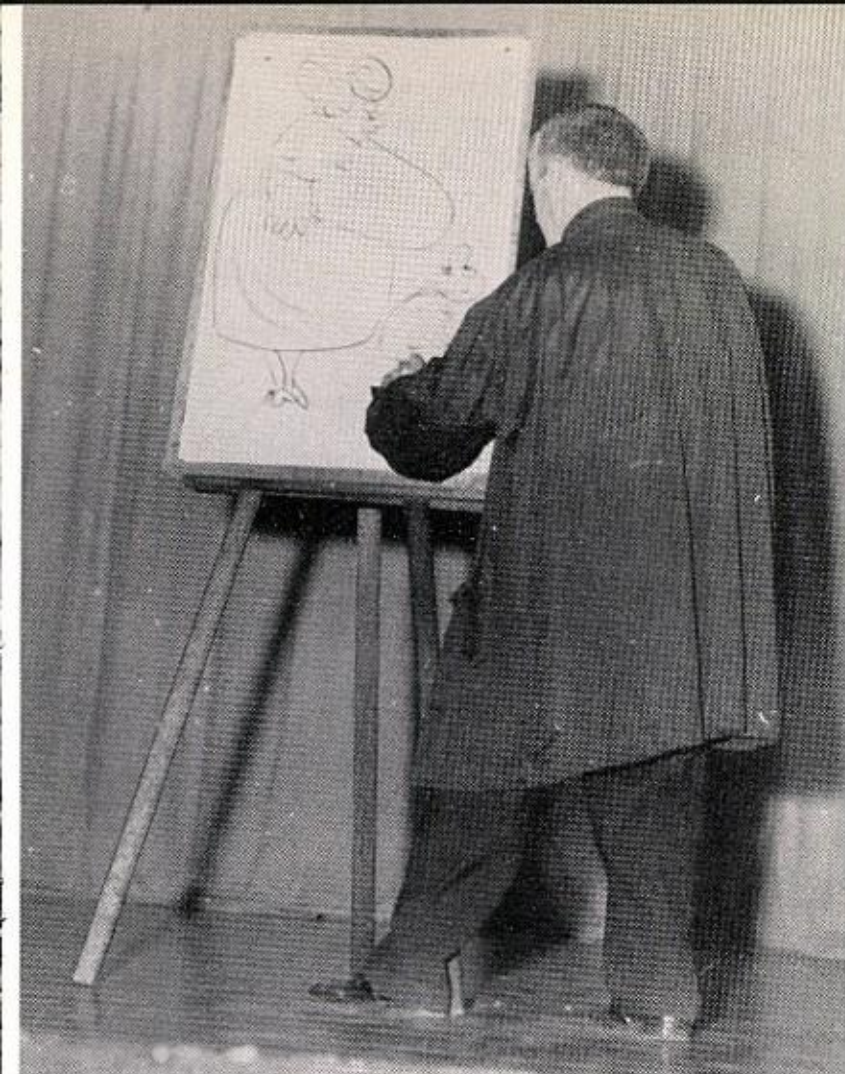

Goodness flowed from the hearts of students and teachers alike as they gave \$91.00, the proceeds going to the Polio fund, to see the men teachers of junior high take on the men teachers of high school in a basketball game that ended in a hard-fought tie.

The eleventh of February, the F. F. A. boys honored their parents, sweetheart Carolyn Graf, and advisor Wade Bailey with a banquet as part of the celebration of National F. F. A. Week.

The author of the comic series "Chip," Mr. Jeff Hayes, presented one of the most enjoyable assemblies ever witnessed by the students of E.H.S. To the delight of many and embarrassment of a few he turned our ordinary (?) students and teachers into comic characters, as if they weren't already!

Not to be forgotten, the F. H. A. girls honored their dates and sweetheart, Gary Barker, with their traditional "Sweetheart Banquet" on the twentieth of February.

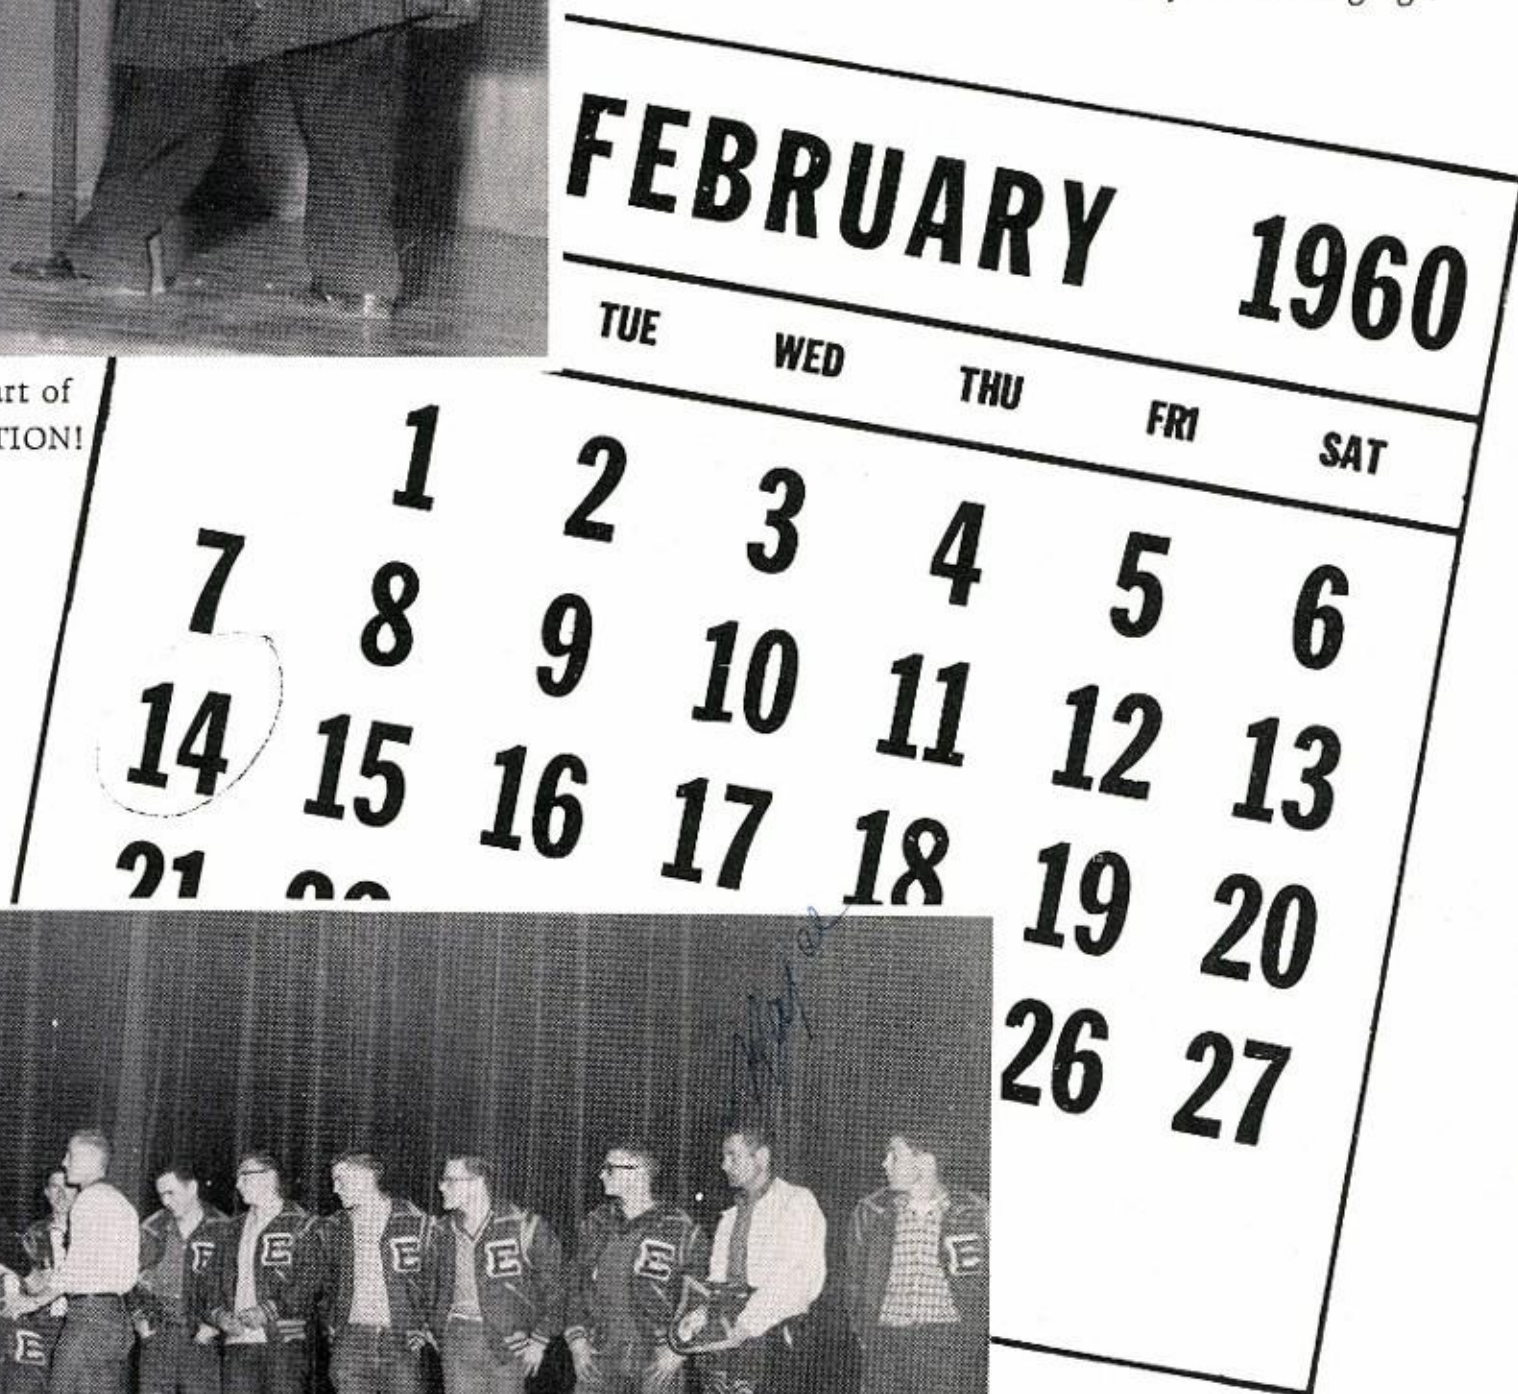

From his Ag boys, Mrs. Baily receives a small token of appreciation and admiration for his continuous help.

This is the art of
EXAGGERATION!

Anyone for froglegs?

Sixty Tiger lettermen received their richly-
deserved awards.

"Jump Coach, you can

The cafeteria line provides an opportunity to talk - "legally!"

"Let's hope they're especially generous today, I'm starved!"

Mrs. Lebout: "At least we've got them fed."
Mrs. Scheible: "Yes, all we have to do now is clean up after them."

Mr. Jefferys and Mr. Hatten interrupt their busy day to pose for our photographer.

"Gee this tastes good. Do you realize it's been three hours since I've eaten!"

Many conferences like this one between Lonnie, Mrs. Blair, and Joe are necessary for an efficient Student Council.

Joe Ray, President, called the first meeting of the Student Council on September 8. The first semester proved a busy one as our governing body sponsored a booth at the annual Lions Club carnival, held Twirp Week, Oct. 26-30, sold Christmas cards and light bulbs, and sponsored the building of a cart on which to carry "El Torvo," the tiger. Each week the Student Council tried to have a motto on poster paper put up in the building, Homecoming Queen Election, as well as all other elections, were held by our organization and we furnished refreshments for homecoming activities. Representatives from Electra attended the first District Student Council meeting in Vernon.

Activities for the second semester were the election of delegates to attend the state convention in Amarillo, having a Pie Supper February 26, sponsoring the polio drive for Electra High and being in charge of the program and other activities during Public School Week.

Robert Palmer, Dianna Dillard, Dianne Wilson, and Lonnie Hobbs are off to the State Meeting.

Pay your poll tax! Exercise your right to vote.

Register with your class. I hope it won't show your age.

Bengal

"Deadline" and "Rush" are two well-known words heard often by the Bengal Staff from the time the staff is elected until the last deadline is met.

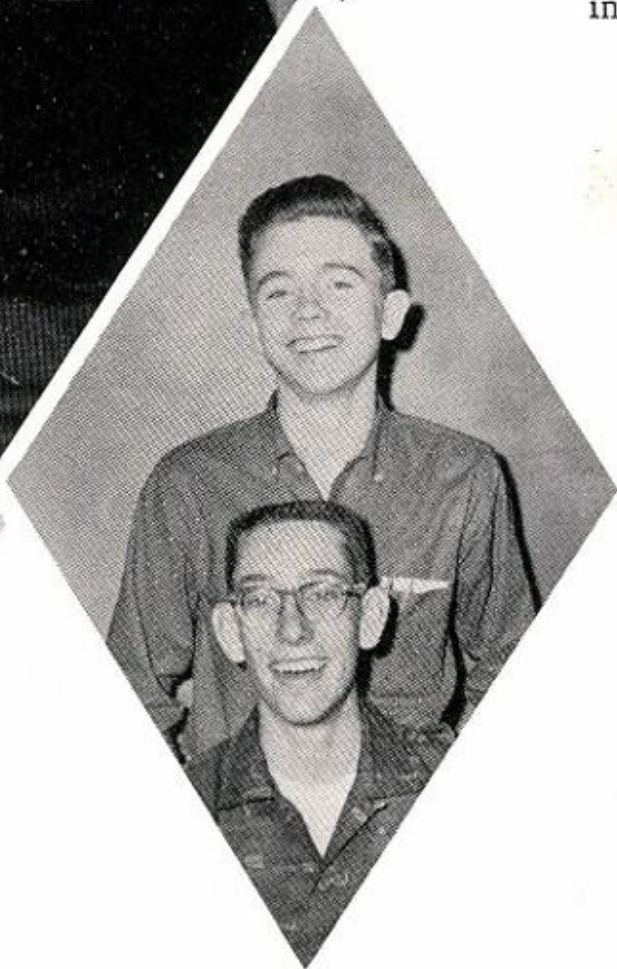

It isn't by far all work and no play. October 17, some of the staff attended a Journalism meeting at Dallas to get new and different ideas about drawing up a year-book. After the meeting we took in the Dallas Fair.

Parties over at Mrs. Sachse's house are a favorite of everyone and looked forward to for months. The blistered hand from pulling taffy at the Christmas Party is just one of the exciting things which take place besides food, on top of food, and more food.

After days of rushing and clashes of temper, and a hasty trip to the post office the last pages of the Bengal are finally on their way and the Bengal Staff is found building up their energy at Underwoods and taking in a movie.

"Pride of Texas"

The Electra High School Band is often referred to as the "Pride of Texas." The whole North Texas area is justly proud of this fine organization. The Tiger Band is one of the finest musical organizations and its fame has spread throughout several states. The band is a consistent Sweepstakes winner in the Texas State Contests. It has also won Sweepstakes honors in several out-of-state contests and festivals.

Electra's band has been named outstanding band in its class at the Tri-State National Band Festival at Enid and has been invited to appear in the Cotton Bowl on three occasions in the past and also appeared in the famed Battle of the Flowers Fiesta in San Antonio.

Mr. Howard Smith has been director of this group for the past twelve years.

Choral Club

The Electra High School Girls' Chorus was organized in 1953 with Mr. Howard Smith as its director.

The Chorus has consistently placed high in festival and contest competition in Texas.

The girls have appeared in assembly programs, civic clubs, churches and the Chamber of Commerce banquets.

Each fall the Chorus participates in the Region 14 Interscholastic League Workshop which meets at Midwestern University. A well-known clinician hears each group sing and criticism is given which helps each group prepare for contests that are held later in the year.

Music fills the halls as the Choral Club gives everyone the Christmas spirit.

Concentration and strict attention to Mr. Smith brings out the best.

Future Farmers of America

New Shop Building Ready

This year the Vocational Agricultural department was fortunate in securing a new shop building. Two new electric welders and many other tools were installed.

We held our Christmas Party on Dec. 10, in our new shop building. The room was gaily decorated with red and white crepe paper. Games were played and refreshments were served.

Fourteen of our twenty-five members entered projects at the Texas and Oklahoma Fair. Four teams were entered in the judging contests and one banner was received. In the District Leadership contest, the Senior Farm Skill team won first place.

Michael Isbell won the trip to National Convention at Kansas City.

Carolyn Graf, our chapter sweetheart was the runner-up for district sweetheart in the contest held at Byers.

F.T.A. Sells Student Directory

This has been an active year for the Future Teachers. The members helped to sponsor a booth at the Lions Club Carnival. During the homecoming they assisted the Student Council with some of their many duties. Also, they edited a student directory for the school. Many of the members attended the State and District Meeting held in Denton.

Future Nurses of America

Marilyn Jo Hataway was elected president of the Future Nurses this year. The other officers are Vice President, Alberta Rowe; Secretary, Ann McIlroy; Treasurer, Geneva Weddle; and Reporter, Nancy Power.

Mrs. Brackeen presented many interesting programs to the F. N. A., the first of which was directed mostly to the Seniors and the future they could have in nursing. A demonstration of how to give a bed bath was of interest to all.

Mr. Holcomb told the group of a scholarship offered to the Seniors for a degree in nursing.

In the spring we attended Future Nurses day in Wichita Falls at the General Hospital.

"E" Club

Basketball fans take time out for refreshments.

The "E" Club of Electra High School was organized in 1957 under its present constitution. To be eligible for membership in the "E" Club a boy must earn a varsity letter in athletics. The sports include football, basketball, baseball, track, tennis, and golf. The purpose of the "E" Club is to promote athletic enthusiasm among the students and fans of Electra.

This year the club's money raising project was operating a concession stand at the home basketball games. With this money they hope to finance some elementary track meets and other spring events to promote interest in athletics among younger boys.

Vocational Industrial Club

Alberta looks very pleased at receiving her sweater.

What's the big attraction?

Beginning with the initiation for new members and a party following, the Electra V.I.C. Club was organized with twenty-four members.

The activities of the V.I.C. for the school year included a booth in the Lion's Club Carnival, the annual Sweetheart Dance and a dinner at Underwoods followed by a bowling party. The top ten students will be delegates to the District and State meetings, the money for which is raised by the making and selling of trash can stands and yard signs.

- Games Played at Home

The 1959 football season, while not ranking very high statistically, will always be remembered for the high spirit that encompassed the school. The time when Coach Hesse would speak at the pep rallies was always looked forward to because his impressive words were always an inspiration to us. We can never forget the enthusiasm and zeal the cheerleaders had at each pep-rally and game. The season was one which the boys were very determined and never let go of their fighting spirit. No matter what the prediction or the odds of the game were, the team never gave up. The opposing teams were well aware of the fact that they had played a spirited team when the game had ended.

The wonderful spirit and the determination on the boys' faces will always be in our memories of the 1959 football season.

Sam McSpadden - Jr. - 100% hustle and fight won Sam his position. Don Jarvis - Fr. - A fine freshman destined for a fine football future. Larry Reck - Soph. - A fine ball handler who holds key to Tiger's future. Ronnie Percy - Soph. - Pre-season injury got Ronnie off to a late start. Mike Slack - Jr. - Desire resulted in Mike playing tough football. Mike Chaffee - Soph. - Mike's hard work broke him into the starting lineup. Arden Huffstutler - Jr. - A tough defensive tackle who will be back for another season.

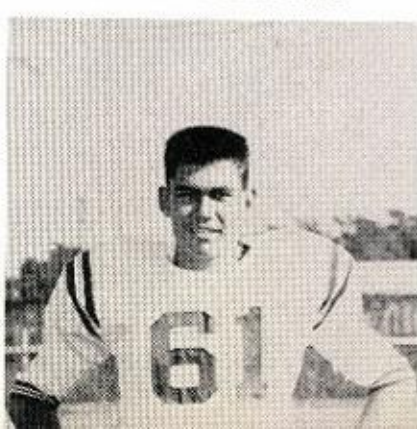

Managers, Terry Adams, Jerry Fitts, John Kee, and Jerry McHugh; repairing defensive stars Mike McKelvey, Johnny Vestal, Don Barker, and O. V. Strange.

During the basketball season of 59-60, the Electra Tigers did not post any impressive records. Under the able direction of Coach Young they did, however, gain the valuable experience of working together as a team. Glenn Jones led the Tiger scoring with 134 points. Ronnie Isham and Gary Barker were also high scorers. The young team, consisting of only one senior, should be able to rank high in the district next year.

Managers Mike Slack and Richard McDonald are ready to load the bus for an out of town game.

The Tigerettes closed the 1959-60 basketball season with a 2 win-12 loss record. The team was victorious over Burkburnett, 40-25 and Jacksboro, 38-36. Senior Janice Hixon led the scoring with 158 points for the season, and Gaytha Rodawalt and Carolyn Smith followed in scoring. Coach Price's high spirited team should be tough to beat next year.

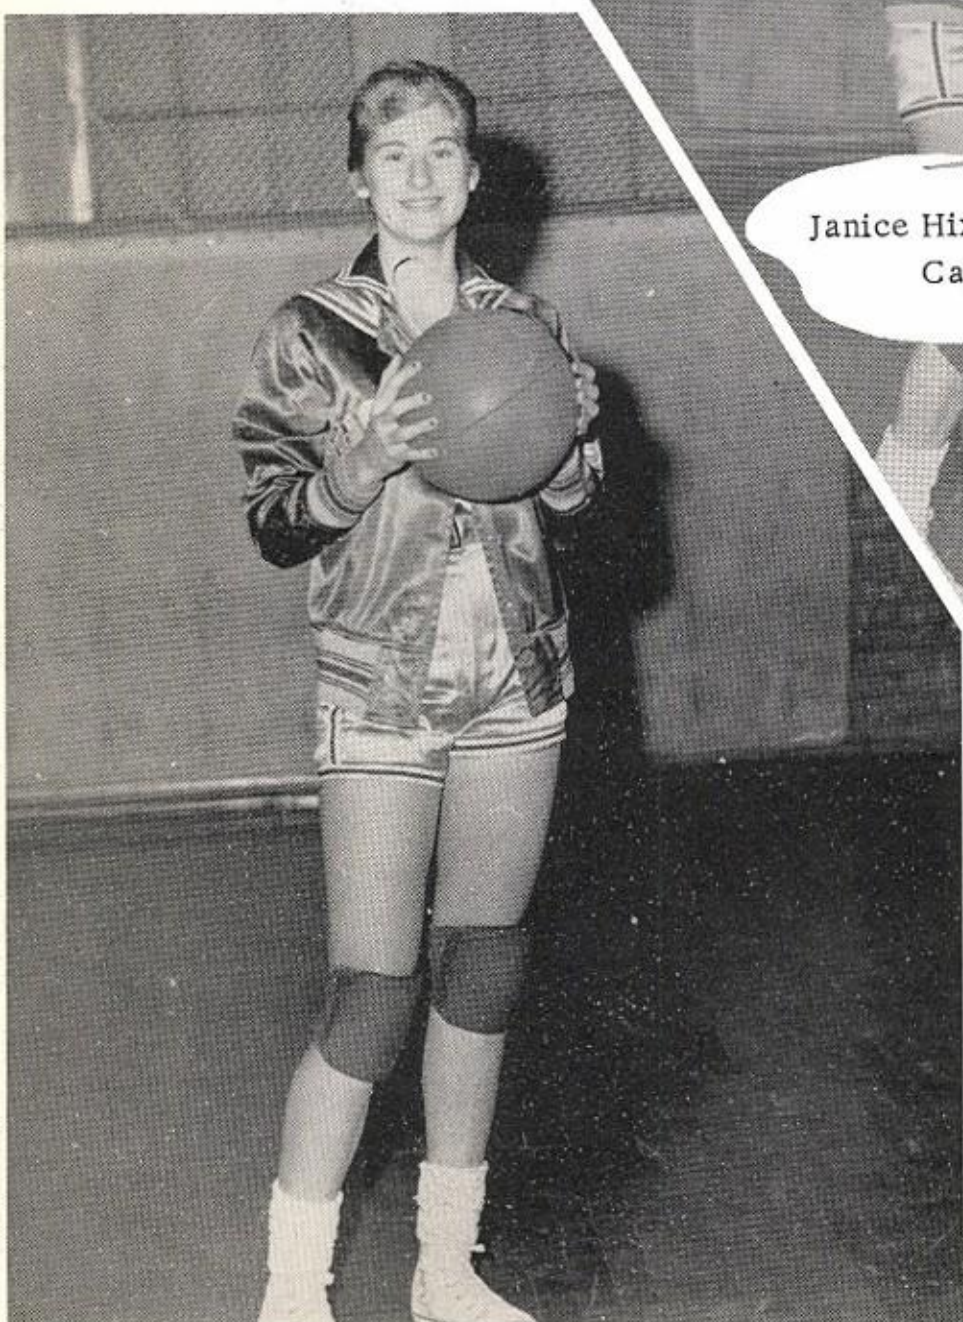

Managers Paulette Walton and Shirley Hines keep score at one of the games.

Hasn't it gone by fast. I have
enjoyed being in your English
class. I hope you have all the
luck in the world. Be sure
the girls you go with are nice.
I would hate to see you going
with a bad girl. Be good and
don't get in trouble. I hope
you will see me always.

The qualifications of our 1960 Who's Who did not depend entirely upon scholarship, citizenship and leadership, but also personality traits, outstanding achievements, abilities, moral standings, and their participation in outside activities.

They were nominated by a faculty committee and elected by the majority vote of the faculty by secret ballot.

Attention: Yearbook Staff

Dear Students:

It has again been our privilege to be instrumental in the selection of your Most Beautiful Girl contest, although it has been a difficult choice to make from a selection of such attractive students.

From years of experience in the field of beauty, John Robert Powers emphasizes the importance of not only exterior, or physical beauty of a person, but rather the inner beauty as well, which he calls their "inner glow". This was surely taken into consideration when we selected your Most Beautiful Girl. As requested, we have marked first choice on the back of the picture. This should not be a disappointment to any of the other students, but instead a challenge to bring into their own their individual potentials.

May we take this opportunity of thanking you for thinking of the Powers School in connection with your contest.

Cordially yours,

JOHN ROBERT POWERS SCHOOL

Our Principal

Nothing labels Electra High a great institution more than the splendid record of her hundreds of graduates. As a tree is known by its fruit, certainly an educational institution is known by the students who go from her doors.

Electra High has looked always to the training of her students for good citizenship plus character and scholarship.

I would remind the student body that the more you put into something, the more you will get out of it. Therefore, the enrichment of Electra High, as well as your own life, depends on how much you put into our school life, and how much you are willing to receive of the things offered here for your benefit.

The wife wanted to do some shopping during the day, so at breakfast she asked her husband for \$10.

"Money, money, money!" he shouted. "Every day of the week you want more money. If you ask me, I think you need brains more than you need money."

"Perhaps so," his wife agreed, "but I asked you for what I thought you had the most of."

An elderly man of convivial habits was hauled before a judge.

"You're charged with being intoxicated and disorderly," snapped the judge. "Have you anything to say?"

"Man's inhumanity to man makes countless thousands mourn," began the prisoner in a flight of oratory. "I am not so debased as Poe, so profligate as Byron, so ungrateful as Keats, so intemperate as Burns, so demented as Tennyson, so vulgar as Shakespeare . . ."

"That'll do," interrupted the judge. "Seven days. And, officer, take down that list of names he mentioned and round 'em up. I think they're as bad as he is."

What you don't know won't hurt you--and just look at all the people who haven't an ache or a pain!

One reason for the teacher shortage arrived home breathlessly to announce she'd received the first of a new type of comprehensive report card in high school.

"It's got all kinds of statistics and stuff on it," she informed her mother, as she fished through her books for the report card.

"Look at this!" she exclaimed, pointing to one of a mass of items. "They gave me an F in Sex and I didn't even know I was taking it!"

The other day a friend of ours decided it was about time he had a serious talk with his teen-age son concerning Life.

A few minutes later he emerged from Junior's room, looking thoughtful and a bit shaken.

"Mary," he said to his wife hesitantly, "who is Brigitte Bardot?"

A tomcat and a tabby were courting on the back fence when the tomcat leaned over to her and said: "I'd die for you, you beautiful thing."

The tabby gazed at him longingly and said: "How many times?"

The professor grimly eyed the class as he prepared to return a batch of examination papers. "You will remain seated while they are passed out," he commanded. "If you were to stand, it is conceivable you might accidentally form a circle - which would make me liable for arrest."

"Why?" chorused several voices, nibbling at the bait.

"For maintaining a dope ring."

"I don't like the new school bus!"

"Did you notice the sign beside the driver?"

"Yeah, the one that says 'Please do not ask the driver to help with homework when bus is in motion.'"

March Brings Interscholastic

Basketball players receive a small award for a lot of hard work throughout the season.

Princess Judy is about to get her head removed by a tiger.

Soil Conservation winners receive medals for their "friendly advice."

Preparations for League

March winds blew gusts of thrills and excitement to E.H.S.

The juniors survived try-outs and worked diligently toward the presentation of "All On Account of Louella" on March 23.

In the middle of March the student body reported to the auditorium to see Coach Young present jackets to ten basketball boys as a symbol of their many hours of hard work and effort on the court. Not to be outdone, Coach Price presented sweaters to his nine girls - basketball girls, that is!

During this assembly, Mr. Holcomb awarded the medals given to the winners of the Soil Conservation Essay Contest. Conny Huey received first place for our high school as well as for the freshman class.

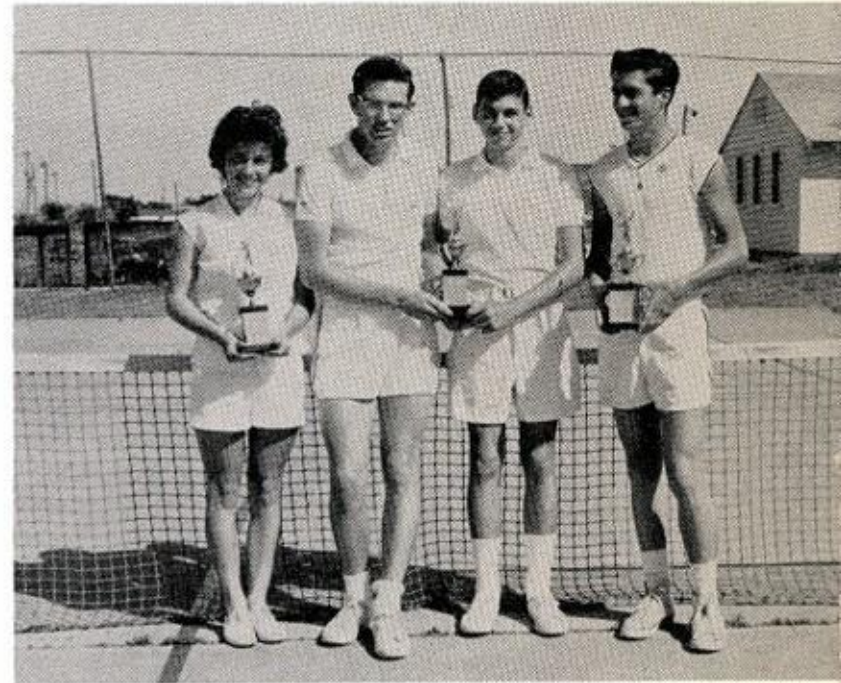

Those famous March winds failed to daunt the spirits of tennis players as the members of the team worked hard to achieve the form that brought Electra the district championship.

At the close of this month we would like to salute the eight men who, by the love of young people and the grace of a strong set of nerves, steered the buses so that we might arrive at our destination safely.

"He's pretty good. Do you think I even have a chance?"

"You? - What about ME!"

These four students represented Electra in tennis and carried us to District Championship.

It was quite a job to catch the eight bus drivers still long enough to have them pose for our "birdie." Seems they're camera shy and prefer screaming kids to quiet (?) photographers.

Midwestern judges found it difficult to pick the winners in our local speech contests.

I believe you will find it easier if you try playing on two "feet," Mrs. Cogdell.

Strike one!
Play Ball!!!

Heartbroken (?) the seniors missed classes to decorate for the all important Activities Banquet. You are supposed to work, James and Tee!

Dr. Williams won the hearts of all present with his inspirational talk to teen-agers.

All students enjoyed the Activities Banquet as much as Geneva.

Banquets, Spring Sports, Regional Contest

The month of showers: April's long range forecast called for increasing business with a few isolated delights toward the end of the month.

Spring sports persisted throughout the earlier part of the month. "Play ball" became a well-worn phrase as the baseball team prepared for each game as if the championship rested on the results. As the month progressed so did the track boys to win several first places in various meets. If boys thought they were the only athletes, they were greatly surprised by the girls softball and volleyball teams. And not to be outdone, the teachers got a little exercise when the women teachers played the girls' team - and beat them!

Around the 22nd things picked up as the juniors made last minute plans for the Junior-Senior Banquet. Their pipe dreams over-reached Paris and we spent a never-to-be-forgotten April in Japan. "Sayonara" was a lovely theme and the seniors were truly sorry that the time to say "goodbye" was about to make an appearance.

Interscholastic League officials chose the month of April to stage the regional contest. Electra entered almost every event with Bill Krohn winning first in ready writing and the band sweepstakes.

The night of the 26th the seniors tried to prove it was always "Cheaper By The Dozen" with their annual play.

The delights promised earlier in the month were climaxed by a new "first" at E. H. S., an Activities Banquet. This fete was the beginning of a new tradition established to honor all students who, by hard work in any field, deserve to be recognized. April 30 was the day selected to close the umbrella on this exciting month of showers.

"Gosh, we'll never get this done by the time the seniors arrive!" -

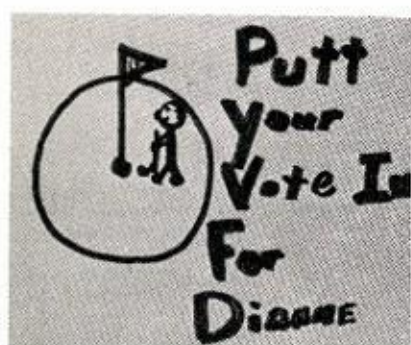

Batter up!

SWEENEY for SECRETARY

Campaign posters covered the halls as the race for Student Council officers progressed at full speed ahead.

Though school continued, the spring days of May came to turn the young man's (and girl's) thoughts to every other thing.

Band students finally "lived" the eagerly awaited Tri-State Music Festival in Enid, Oklahoma. This trip meant spending most of five days in a neighboring state, missing (?) three whole days of school, making new friends, sweating through that final contest, and learning the meaning of responsibility plus just having a good time.

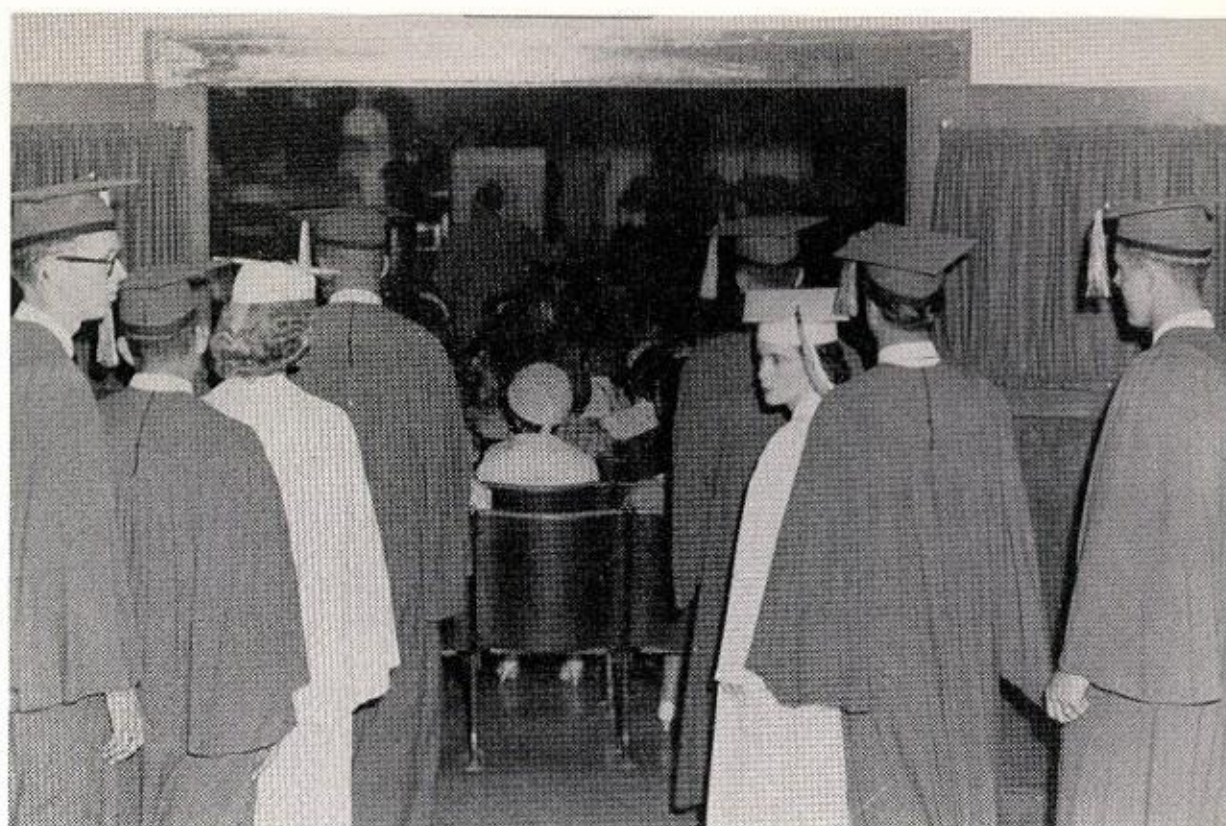

The Bengal Staff made a trip to Dallas to tote home the "finished product" which represented many hours of hard work, but work that was heartily enjoyed.

Though most students tried, home work was not forgotten. The time to cram was once more approaching - yet, somehow, almost every organization found time to climax the year with a party. Well, you know what they say about all work and no play!

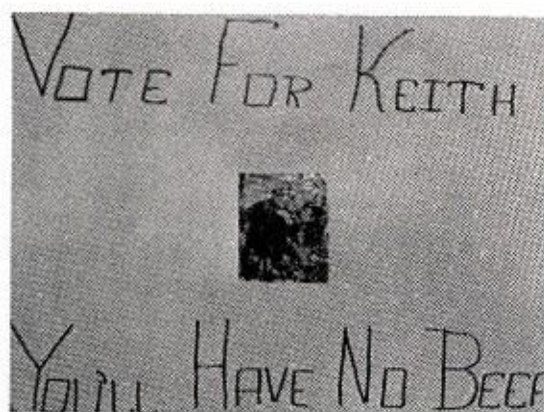

Toward the close of the month plans were made for the future as the Student Council held an election to determine next year's officers. The presidency is to be filled by Keith Rollins with Dianna Dillard as Vice President, Dianne Wilson as Secretary, and Alberta Rowe as Treasurer. As the voting excluded the seniors they realized that this great institution was going to be run (though they'll never understand how) without them.

SENIOR WEEK! - the final week in May given free to the graduates to relax (???) and enjoy themselves, to look back over the past four years and relive happy memories, and to plan eagerly for the future that the beginning of 1960 had promised.

May 27, 1960 - Graduation. So it was that this night, which had filled the dreams of parents and students for the past twelve years, passed with all the dignity and beauty expected. Sixty-four seniors received diplomas and turned their rings to close the final chapter of a book known to them as "School Daze."

SAYONARA

The seniors were bid Sayonara - Japanese Farewell - Friday night, April 22, by the Junior class at the annual Junior-Senior Banquet. The gym of E.H.S. was transformed into a fantastically beautiful Japanese garden surrounded by a bamboo fence with a "tori" for the opening way into the banquet hall. Once inside the garden the eye was caught by the bridge over the miniature pond which had flowers floating daintily back and forth. Next the attraction which met the eye was the multi-colored peacock which formed the background of the head-table. Many other Japanese scenes were depicted around the room such as Mein trees, Japanese maidens, Budda, and a teahouse. After

Charles wants to know why he hasn't gotten his food yet.

It may have taken a little while but the food was worth waiting for.

Mrs. Huguelet "spills the beans" on how the seniors acted in Junior High School.

Lanterns, the bridge and colorfully dressed waitresses brought out the Japanese atmosphere.

dining under the Japanese lanterns and hearing the entertainment and wonderful speech, the group divided itself. Most of the members continued the evening by attending the dance at the community center where pictures of the couples were made in the rick shaw - it was even pulled by a coolie boy. After dancing to the music of Jimmy Jones band, the juniors could go home and rest realizing that all their hard work and planning had paid off in a beautiful and unforgettable evening. Meanwhile the seniors could go home, some shedding tears of sadness and others tears of joy, with thoughts of their high school years dancing in their minds and saying silently "Sayonara, Electra High School."

With all the jingle and jangle Joe and Jannis feel that this really is an oriental dance.

Glen and Gene were glad their steadies were eligible to attend the Junior-Senior Banquet.

This is supposed to be a dance so let's get started.

Senior Week

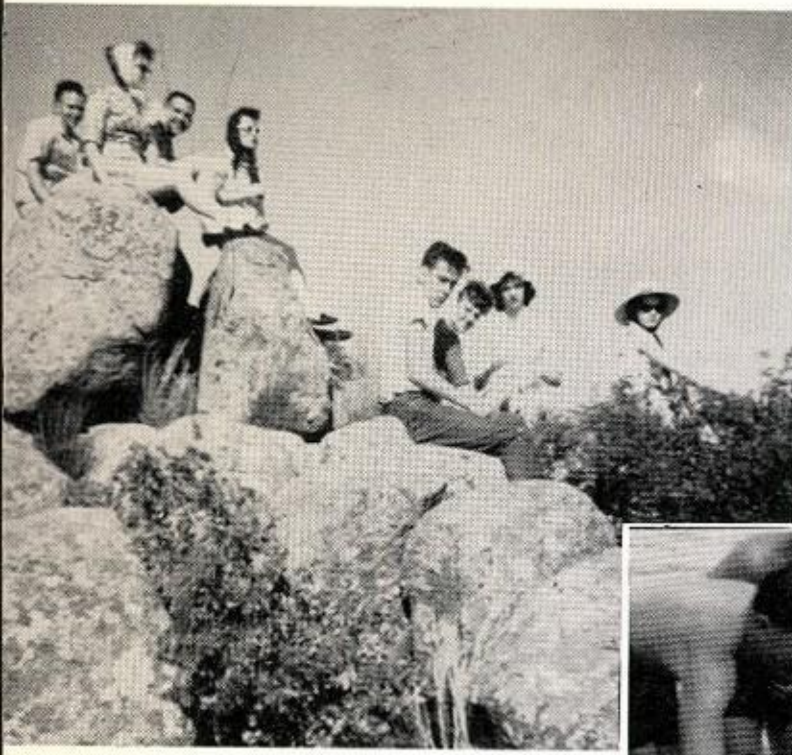

Altus trip highlights busy week

Starting with an ice cream supper at the Baptist Church and ending with graduating exercise on Friday, May 27, Senior Week provided lots of fun and entertainment. Sunday night, May 22, the commencement sermon was given by Rev. Arthur Cox. Monday was spent at Lake Altus. What a time we had!

Tuesday morning found the girls having a coke party at Suzy Fish's. At 1:00 the reading of the Will, Prophecy and History was followed by a swimming party. The boys had a camping trip and the girls a slumber party.

9:30 Wednesday morning found all the Seniors heading for the lake to spend the day.

Stumbling around Herby Propps' at 5:00 Thursday morning were the 1960 Grads, attending a sunrise breakfast. The Seniors made the most of their last free play day by going bowling from midnight to 5:00 Friday morning.

What a climb! But it was worth it.

Looks like Terry is being buried alive.

These Seniors took out a few minutes to rest.

"Let me see, Janie!"

Everyone was trying to get a tan.

Debating what to do first is always difficult.
